## ★ ★ ★ Sutton Village Committee ★ ★ ★ Sunday 15th June **SUTTON FUNDAY**

The sun shone on Sutton again this year for our Village Funday. The atmosphere was fantastic with the very successful road closure, making it a safe day for all. The day started with the largest procession to date, led by a Scottish Pipers Band, followed by Sutton's Retiring Queen - Beth Shaw and Attendants - Olivia Morrell and Laura Preston in Malcolm Gallager's Thunderbird. Followed by Sutton's 2008 Queen - Emily Quirk and her attendants - Amelia Knight and Samantha Moore. Throughout the rest of the procession we had 5 visiting Gala Queens, Scouts, Girls Brigade Brownies, Classic Vehicles, Themed Floats, Walking Groups and Fancy Dress Entrants. We would like to extend our thanks to everyone who joined in - Kick starting a fantastic day! On the field we had many local Fundraising stalls, Hazel & Tony with their new baby donkey and its mum, K2 Climbing Wall, Laser Quest and Archery. Back by popular Demand the Monday Clubs ducking stool with the ladies hour special and the guest appearance of PCSO Jason Perkins, alongside

their new attraction - the stocks. Brand new attractions for this year sponsored by Sutton Village Committee were the Live Owls, Punch & Judy Shows, Magic Shows and free balloon modelling all of which were very popular. We would like to say a big thankyou to all the volunteer helpers who worked so hard both on the day and prior to enable the Funday to go ahead - Working a very busy Refreshment Marquee, Baking and Donating Scones & Cakes making the Cream Tea marquee very popular with their fantastic efforts. To all the helpers patrolling the roads, collecting on the gates, doing whatever it took. Our thanks yet again go to Mr Leonard Thompson for his very generous offer of his field. To Rachel Panteli, Tom King & Team for doing a fantastic Job Judging the procession. To Phil & Kate Corp for taking the photos, and doing the video. To all the many people for supporting the event, donating on the gates, on the procession route, buying a cream tea etc. All this money raised goes towards the costs

of staging the event which now runs into many thousands of pounds. For us to be able to keep bringing new attractions, sponsoring the prize money for the procession entrants & Keeping everything up to Health & Safety Standards we rely on your support & generosity. We would like to extend our thanks on behalf of the committee to our Chairman David Harrison - Young, who worked non-stop prior, during and after the event - overcoming many obstacles to ensure it was a safe fantastic Funday for all. So in closing Sutton Village Committee would like to say THANKYOU to everyone - the committee, the volunteer helpers, the supporters and we look forward to seeing you next year - Sunday 21<sup>st</sup> June 2009. But we really do need more volunteer help - if you can help in anyway we would very much appreciate anything and everything offered. Please contact Christine on (01535) 636639 to discuss it further.

## Parish Council

Sutton in Craven Bowling Club are requesting permission from the Parish Council to allow the installation of flood lights around the Bowling Green in the Park. Funding for the project can then be sourced by the Bowling Club. The Club wishes to improve its recognition by hosting more competitions and to do this they require the Flood Lights. The cost of the Flood Lights, installation and the electric used will be completely borne by the Bowls Club. The lights would be required 2/3 nights per week in April May, September and October to extend the length of playing light, until no later than 10.00pm. Specialist Lighting reports have been submitted to the Council from the Bowls Club, showing the type of lights proposed and how the lights affect the parameters of the bowling green, both inside and out. The lighting proposed would be subject to full investigation by the Parish Council.

Residents who live directly opposite have been consulted by the Parish Council. The proposal was explained, plans shown and a letter left seeking their views. No objections were raised by any of the residents visited. The Park Keeper has agreed, should the proposal go ahead, that he is happy to monitor and lock up the Park on the allocated nights. On the rare occasion he may be absent, an appointed person will undertake the duty. The Pavilion would continue to remain open on those evenings at no extra staff costs. Public Liability is fully covered and a risk assessment would be undertaken. The Parish Council wish to consult the residents of the village on this matter. If you wish to express a view on the above proposal, please write to the Parish Council using the following address:

9 North Avenue, Sutton in Craven, BD20 7NN, please ensure that your full name and address is provided in your letter. Closing date for your replies is Friday 19th September 2008.

## Sutton Village Hall Hallmark Award

The Village Hall in Sutton in Craven is a member of the YRCC (Yorkshire Rural Community Council), an organisation who are very keen to promote community buildings, such as Village Halls. The Village Hall Committee have recently had meetings with the Yorkshire officials of the YRCC. At this meeting an assessment was made of Sutton Village Hall, its fabric, how it looks, and its cleanliness. The methods and processes which are used by the Hall Committee in the running of the Hall, the future plans of the Hall and also the bookings in the Hall were all assessed, and a very positive response was provided by YRCC. Sutton Village Hall has been awarded a level 1 Hallmark Accreditation, and is one of only 5 halls in Yorkshire to hold this

status. So what does this mean? Hallmark is a quality standards scheme that has been designed for Village Halls, its purpose is to show Village Halls that are doing a very good job in running their Halls, and providing excellent facilities for the local community. Sutton Village Hall will not stop at Hallmark Level 1, and hope to be able to apply for the Hallmark level 2 testing in the near future, as most of what is required for this award, we are already doing in Sutton Village Hall. A great facility on your doorstep, with many things and events going on. Please use this facility, to allow the improvements to continue.

## Sutton-in-Craven Cricket Club

Sutton Cricket Club are pleased to announce the club has been awarded ECB and Sport for England Clubmark Status with the effect of the 4th of August 2008. Sutton in Craven Cricket Club is one of a growing number of Cricket clubs that take the welfare of the Children at their club, incredibly seriously. By taking the time to work towards and achieving Clubmark, Sutton Cricket Club has shown its dedication and commitment to its junior players and to its wider local community. The Clubmark logo is recognised by both ECB and Sport for England, and tells teachers, parents, community leaders, local authorities, funding agencies and all those responsible for the welfare of young children, that Sutton in Craven Cricket Club is a safe place for children to enjoy learning and playing the game of Cricket. The Clubmark Logo proves a club has a : Child Welfare Policy Specific personnel trained in child welfare issues. Comprehensive Insurance Cover. The capability to deal with and administer First Aid where needed. A Constitution that allows any child to get involved with and play cricket. More importantly it proves that Sutton in Craven Cricket Club is a club that you can send your child, safe in the knowledge they will be well looked after, and enjoy their cricket. **The junior season has now drawn to a close and the teams finished their respective divisions as follows:**

**Under 13s 8th in their Division , Under 15s Winners of their Division, Under 17s Winners of heir Division.**

Well done to all of the Junior teams and a special thank you to the coaching staff and various helpers whose support is vital to the running of the teams. The Senior teams will finish in mid September, the 1st XI should finish just below the mid table, and have had a mixed season but are getting stronger as a team. The 2ns XI have had a slightly better season and a 4th or 5th place should be possible for them. There will be a Fathers/Sons 20Twenty game on Sunday the 14th September starting at 2pm, everybody is welcome.

Stuart Robinson - Chairman

## Cross Hills Football Club

As I begin to pen this report we are in the first weeks of August and things are well under way for a start to the new season, the first league game kicking off on the 9th of August on our home ground. A great deal of work has been done on the pitch, during the close season by Bruce Hargreaves, our groundsman, and thanks to him it is in perfect condition. During the last three weeks a number of pre season friendlies have been played in preparation for the commencement of our league programmes. I would like to welcome our new first team Manager to the Club, Norman Shearer, who has taken over from Damon Whiteoaks. Norman has a great deal of experience both as a player and as a Manager. May I wish him every success. We are at present looking for a second team Manager. Unfortunately the applicant has, at the last minute gone to another club. So if anybody out there is interested we would be interested to hear from you. The junior lads are just beginning their pre season training and I will be able to give you more details of their progress in the December issue. Finally may I wish everybody, both players and officials an enjoyable season, with many successes. Les and his staff at the Black Bull continues to support us and assures everybody of a warm welcome at the pub after games. I have improved the kitchen greatly, and can now offer a three course meal from an extensive menu with a good selection of wines and full silver service, all at a very fair price, so don't miss out!!! ONLY JOKING.

All the best. Barrie Pearce (Chairman)
